

Hunter Valley Grammar School Rowing

Rowing Sponsorship

Join us and enjoy access to our widespread community!

Hunter Valley Grammar School is amongst elite schools in Australia that offer Rowing as a sport. Rowing as a pursuit, is the domain of only the most successful and prestigious educational environments, and thus creates opportunity for business to gain exposure within these communities.

Back a winner!

The HVGS Rowing has grown near 100% in just 4 years, and travels far and wide with its highly successful and committed teams of athletes and our supportive families. From prominence throughout the Hunter and Regional NSW, to going toe to toe with National Powerhouses at the huge NSW State Championships and Heads of the River Sydney, HVGS Rowers have taken Gold.

Your sponsorship offers you the opportunity to gain exposure to a very large community of active and passionate families, whilst your input provides our program with the enhancement required for success and equality across all levels. In 2018, Sponsorships allowed our program to commit significant resources to ensuring our young Girls had access to specialised equipment that is tailored for their competition needs.
