

Netball Registrations 2019

Dear Parents and Carers,

This email is to provide advanced warning of important correspondence during the holiday period.

Maitland Netball Association will be commencing their season earlier next year in order to finish at an earlier date for court rejuvenation. Due to this the registration **closing** date for HVGS Netball Club is **Tuesday 12th February, 2019**. This will be very early in Term 1 and therefore online registration will be open from **20th January** and Registration Day at school on **Thursday 31st January** from 3pm till 4pm in Cameron Centre Foyer for new players.

Detailed information on completing online registrations, training days and trials will be emailed to all K-12 students early in January 2019. Any additional inquiries can be directed to Amanda Osmond
